Courtney L. Michaels

IFSAP Candidate for Vice President Position

I have been the Executive Assistant to the Fire Chief with the Barrington Fire Department since February of 2014, a member of IFSAP shortly thereafter, and have served on the Board since 2015. I follow in a line of strong ladies that have dedicated their time in this position and contributed to IFSAP during their tenure, and hope to continue that tradition for years to come.

As a member of the Board of IFSAP, an education committee member, and most recently the public relations committee, I have had the opportunity to represent the membership at several conferences, retirements, and other events. I have thoroughly enjoyed meeting many Administrative Professionals from all over the state and hope to continue to represent the membership with the utmost professionalism and pride. I couldn't be more grateful to be able to work with such a knowledgeable group of women and continue to be inspired by their dedication.
