

My name is Merry Morris, and I am the Office Assistant for Elburn & Countryside Fire Protection District, which covers approximately 75 square miles and 22,000 residents. My responsibilities at ECFPD are mainly accounting and payroll, and I report directly to the Fire Chief. I have been a member of the Elburn Fire District since April 2012. I have been in the administrative work force for approximately 37 years and have worked for many different types of businesses, from small non-profits to global corporations. Over my lengthy career, I have gained considerable experience and knowledge in many areas, and I believe I would be a valuable asset to the Illinois Fire Service Administrative Professional Board of Directors. I have been a member of IFSAP for five years, and I completed the Executive Support Personnel Program in 2017.

I have a 26 year old daughter who teaches for Mario Tricoci University, and a 23 year old son who works for a Napleton dealership. I enjoy spending time with my kids, working out, and I grew up in Michigan so I love to spend time outdoors and at the beach.

It would be my honor and privilege to be an active and contributing member of the IFSAP Board of Directors for a 2-year term.
