

SOCIAL MEDIA FOR THE MODERN FIRE DEPARTMENT

Thursday,
May 10th, 2018

This educational opportunity offered by IFSAP will be taught by:
Meghan Breitenbach
U.S. Department of Homeland Security
FEMA Region V

Class will be held at:
Broadview Fire Department
2400 S. 25TH AVE.
BROADVIEW, IL 60155
708-223-0256

****IFSAP Refund Policy****

With respect to seminars, classes, conferences or other events requiring registration, there will be absolutely NO REFUNDS for individual cancellations or “no-shows” after the registration deadline.

SCHEDULE

Check In: 11:30 p.m. – 12:00p.m.
(Class will begin promptly at 12:00 p.m.)

Social Media

12:00 p.m. – 4:00 p.m.

This class will discuss utilizing social media effectively in emergency situations and during incident management. Also, how to engage your social media communities during “Blue Sky Days.” If your skill set for social media is at a basic level, it is recommended that you take the FEMA independent learning course at the following link:

[IS-42 Social Media in Emergency Management](#)
